Sponsorship Form for Sanilac County Breeding Beef

Since Heifers do not sell in the auction we have made two sale slots to allow the youth to raise funds for themselves and buy prizes for next year's shows.

We will be offering one item for live bidding during the sale on Friday August 9th during the large livestock sale. This item will go to the buyer along with the title of 2024 Sponsor that will be proudly displayed at the breeding tent at the next Sanilac County Fair. The other option we have is a supporter plaque which will cost 200 dollars a piece (buy as many as you would like) For this you will receive a wooden plaque for wall display along with a picture of all the youth that showed up this year. For this item all profits are divided evenly over each youth that showed a breeding heifer this year at the fair. After the amazing response we had last year we are going out before the sale so that we can get a 2024 supporter list together before the sale to read during the sale and limit confusion. Thank you for your consideration
